...THE COLOUR OF MONEY IS THE SAME!!!

Just as you would continuously review the status of your Investment in Plant & Machinery etc; it makes prudent Business sense to *periodically review your Investments in Business Systems*

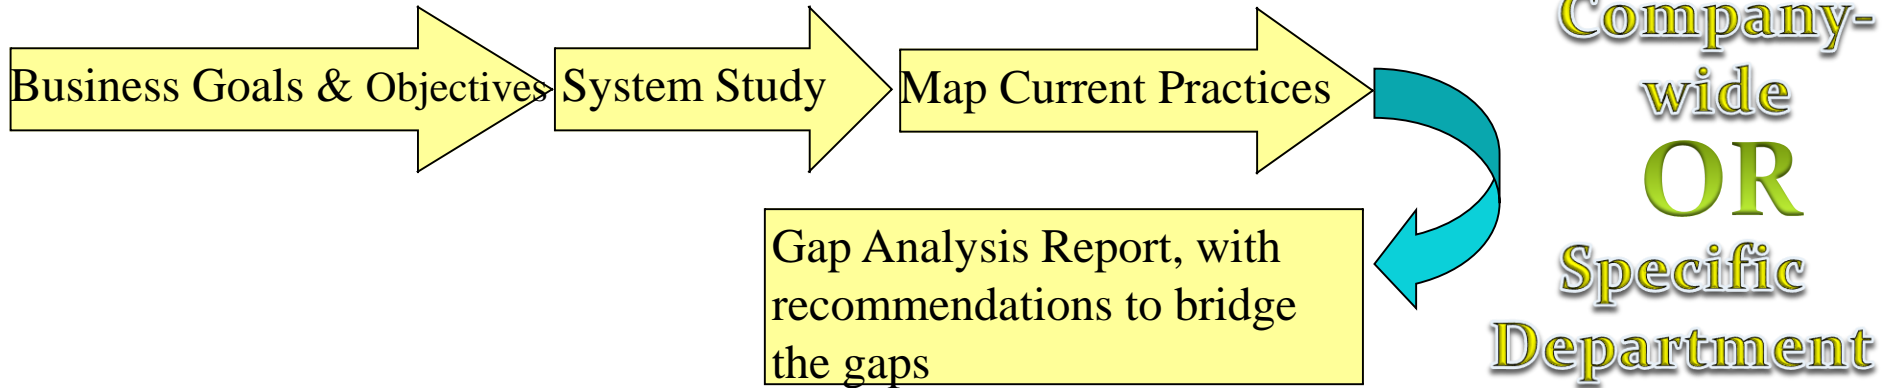

This is where

comes in....

The SESPA Process

Our Business Systems expertise **spanning over 30 years** has enabled us to create a **Six Point Checklist** (soon to be patented), against which we test all your processes. *Six ticks for a process means you have a winner!* **We partner with you till you ACHIEVE & SUSTAIN Six Ticks for ALL YOUR CRITICAL PROCESSES!**

Where do we go from here?

We are also with you should you require significant Software Development. We could either develop the Software for you, or assist you in procuring the Software by preparing the Request For Quote (RFQ) document; Short-listing Vendors; Finalising the Solution & Implementation Support (This is taken as a separate assignment.)

*For SARCO - **SIZE** does not matter; **Industry** does not matter!!!*
